Auto Drivers to Speed Around Interstate Track Afternoon and Evening.

Night and day auto racing is on the bill for Thursdday, Sept. 30, at the people the first speed program of this kind they have ever had. Some of the best mile and half-mile drivers in two years ago from St. Paul, Minn. the country will send their cars over setting for all of the thrills that ocour at the Indianapolis speedway, the Sheepshead Bay track and other

places of equal fame. The first auto racing event in South Bend is to be a banner attraction, it being the same as that staged at the Indiana State fair at Indianapolis two weeks ago. All of the cars and drivers who raced at Indianapolis then will be seen in action here.

It was originally planned to hold two days of racing, Friday and Saturday, Oct. I and 2, but it was impossible to bring the noted speeders here plans, Friday was to have been given cupation. over to the local racers, while Saturwill now be held on Thursday.
